## Introduction of Church Welcome Folders

The smooth leatherette diploma folders are eco conscious and feature a delightful satin finish. The covers are adorned with personal stamp or embellishments as desired. Each piece is designed to protect and display a diploma or important certificate of panoramic type. Each cover includes double interior gold moiré panels designed to showcase your diploma and keep it safe from harm, we stock not only gold moiré panel, but also white moiré panel, and it has different pattern for you to choose from. The special school image etching will provide an elegant look and highlight your valued graduation, and the university name was stamped in matte gold, it will to be a kind of modest compared with a shiny stamping. Our **double sided moiré diploma folder** was packed by a individual poly bag each, the quantity of each carton is determined by the size of the diploma cover. We usually get package weight below 15kg for added protection during transferring.

## Shipping & Payment

**Shipping Method:** You can choose sea shipping, air shipping or express to deliver your cargo based on your specific need date.

**Shipping Time:** Express shipping is the fastest way to ship, but it is costly. If there is no tight schedule for the graduation ceremony, seashipping would be the best choice to save cost.

**Trade Terms:** FOB, CIF.

**Payment Terms:** We can accept down payment via bank transfer, the balance can be paid after we send the copy of bill of lading. Some customers like to use PayPal to get payment done that is also fine.
