Introduction of Leatherette Certificate Tube

We have been in certificate presentation tubes business more than 20 years, with are willing and it would be great honor to help you with all of your packaging needs. As a customer-oriented manufacturer of high quality paper tubes, whether you need a handful of custom-designed prototypes, or a truckload of production run on a short lead time, we are able produce it.

Our certificate tube holder is a great way to preserve your valued diplomas, certificates, **leather scroll case**, awards and commendations. The outer tubes are made from premium leatherette, with a luxury two piece design, you can choose smooth and textured grain. We have more than 10 colors in stock, but custom colors are available. Commonly, we split it with 10cm lid and 22cm base, but some customers like to use other dimension, for example 14cm screw cap plus 18cm bottom design, any size would be ok. Just e-mail us through sales@diplomacoversource.com , more design of leather scroll case will be sent for your reference.

Shipping & Payment

Shipping Method: You can choose sea shipping, air shipping or express to deliver your cargo based on your specific need date.

Shipping Time: Express shipping is the fastest way to ship, but it is costly. If there is no tight schedule for the graduation ceremony, seashipping would be the best choice to save cost.

Trade Terms: FOB, CIF.

Payment Terms: We can accept down payment via bank transfer, the balance can be paid after we send the copy of bill of lading. Some customers like to use PayPal to get payment done that is also fine.
